

About this booklet

This booklet must be sent to you by law. That means everyone who is registered to vote will receive a copy individually.

It includes:

- Information about the election
- Voting information including postal and proxy votes, how to fill in your ballot paper
- Key dates up to and including the election
- How the Mayoral election result is calculated
- An election address (i.e. a statement) from each of the Mayoral candidates who wish to be included
- Frequently asked questions

On Thursday May 4 2017 electors in Doncaster will vote for a Mayor who will have a four year term of office until 2021.

On the same day you will also vote for local ward councillors for Doncaster Council in separate local elections. This is not connected to the Mayoral election and the ballot paper for this election is separate and a different colour (yellow). The ballot paper for the Mayoral election is white.

The Mayoral voting system

The voting system in a Mayoral election is different to others. It uses the supplementary voting system which means you can choose your first and second preference candidate. More information on the voting system is on page 4 of this booklet.

The Mayoral candidates

There are six candidates standing for Mayor of Doncaster. Election addresses from all of them appear in this booklet.

All candidates are listed in alphabetical order and with any political party they are standing for or as an independent candidate. This is the order they will appear on the ballot paper.

Candidate	Description
George Jabbour	The Conservative Party Candidate
Ros Jones	Labour Party
Eddie Todd	
Brian Alfred Whitmore	UK Independence Party (UKIP)
Chris Whitwood	The Yorkshire Party
Steve Williams	Trade Unionist and Socialist Coalition

The order in which the candidates' addresses appear in this booklet has been determined by the drawing of lots by the Returning Officer. The draw can be viewed on our website (www.doncaster.gov.uk/elections). Each candidate is responsible for the content of their election address. The views expressed in these addresses are theirs alone and cannot be attributed to the Returning Officer or Doncaster Council.

The Count

Counting of the Mayoral election will take place on Thursday May 4. The elected Mayor will then take up office on Monday May 8. Local ward Councillor votes will be counted on Friday May 5.

Completing your ballot paper

The ballot paper is white and will list all the candidates standing. Next to the list of candidates will be two columns.

You put an X in the first column for your first choice and an X in the second column for your second choice, if you have one.

Do not mark more than one X in each column – your vote will not be counted if you do.

Making a second choice is not compulsory. If you only want to make a first choice make sure you place your X in the first column.

You cannot make a second choice only and leave the first column blank - your vote will not be counted if you do.

If you do not vote in column two, your first choice will still be counted. However, if you vote for the same candidate twice, your second choice vote will not be counted.

How the winner in the Mayoral election is chosen

Stage 1

Count all first preference votes. If one candidate achieves more than 50% of 1st choice votes

Mayor Elected

Stage 2

No-one gets more than 50% then 2nd choices counted

The two candidates with the highest number of votes stay in the contest. The rest are eliminated.

The 2nd choice votes on the ballot papers of the eliminated candidates are counted, any that have been cast for either of the two remaining candidates are added to their first preference total.

The person with the most votes in total is elected as Mayor.

Frequently asked questions

Why two votes for one Mayor?

The law says it must be done this way. It allows you to say who your second choice for Mayor would be if your first choice is not in the top two after the first round of counting and if there is not an outright winner at that stage.

How do I mark my vote?

In the usual way with a single X clearly in each of the columns indicated. You have two votes – one for your first choice and one for your second choice, if you wish to use it.

What happens if I don't make a second choice?

Your first choice will still be counted.

I really don't like any of the candidates. What happens if I only mark an X in the second choice column?

Your ballot paper will be rejected, which means it won't count, because you have not voted for a first preference.

What if I mark an X in the first choice column for more than one candidate?

Your ballot paper will be rejected. If you wish to vote for two candidates then you must mark an X in column 1 for your first choice candidate and an X in column 2 for your second choice candidate.

Why has every elector in the household been sent a booklet, wouldn't one do?

The law governing this election says everyone registered to vote must be sent their own copy so that they get a chance to see one - no matter how many electors are registered at that address.

Steve, a mental health nurse, was born and bred and still lives in Conisbrough.

"I've worked in the NHS for 27 years. I see first hand the devastating effects of the cuts on the most vulnerable in society.

30 years ago, I stood on miners' picket lines fighting Thatcher's attack on our communities. Now I am a Unison shop steward and recently marched with 250,000 others to Save Our NHS.

Although I support Jeremy Corbyn's anti-austerity message, nothing has changed in Doncaster where the Labour mayor and council have carried out the Tory cuts of £109 million in the last three years closing libraries, residential homes, childrens centres and leisure facilities. Another £67 million cuts will follow by 2021. There'll be nothing left!

If elected as mayor, I would stand up for local people and propose a budget based on the needs of Doncaster, not the demands of the Conservative government.

I would rally the townspeople against the Tories to fight for the funding we need to protect our jobs and services."

MAKE DONCASTER a £10 an hour TOWN

Average wages actually fell in Doncaster between 2011 and 2015! That's why I would introduce a £10 an hour minimum wage for all council and contracted staff and encourage workers in the private sector to join a trade union and fight for £10/hour as well. Let's make Doncaster a £10 an hour town.

Re-elect Mayor Ros Jones Putting Doncaster People First

When Ros Jones became Mayor of Doncaster in 2013 she inherited a failing Council.

It was so dysfunctional the government had placed it in special measures.

But Mayor Ros Jones has turned things around through strong leadership, hard work and

high ambitions for the whole of our borough.

And since becoming Mayor, **Ros Jones has only taken half of the Mayor's salary** and she doesn't claim expenses. Her achievements were recognised at the highest level this year when **she was awarded a CBE by the Queen**.

Ros Jones' record:

- ✓ Doncaster Council out of special measures ahead of schedule.
- ✓ Employment across the borough at an 11-year high, including over 1,100 new apprenticeships.
- ✓ Investment in infrastructure such as the Great Yorkshire Way creating thousands of jobs.
- ✓ Housebuilding at a 15 year high, with new council houses, bungalows and Extra Care apartments for older people.
- ✓ GCSE and A Level results up and more schools rated 'good' or 'outstanding'.
- ✓ Delivering the National College for High Speed Rail for Doncaster, on budget and ahead of schedule.
- ✓ Coming down hard on littering, dog fouling, fly-tipping and other anti-social behaviour with more than 7,000 fines in the last year alone.
- ✓ New 7-day grass cutting and street cleaning services.
- ✓ Won Ministry of Defence award for support to veterans.

Ros Jones and your Labour team have a plan which puts Doncaster people first:

- ✓ More high-skilled, high-paid jobs, improving schools and making Doncaster a university borough
- ✓ £2 in every £3 spent by the Council to go to Doncaster companies
- ✓ Regeneration programmes for towns across the borough
- ✓ More council houses and affordable private housing for Doncaster people, including new Extra Care apartments and bungalows for older people
- ✓ Clamp down on anti-social behaviour
- ✓ Back our veterans with jobs, housing and guaranteed school places

Hero Ben is backing Mayor Ros Jones

“Ros Jones has delivered on her pledges. I’m voting for Ros because she has done a great job for Doncaster and a great job for local veterans.”

GEORGE JABBOUR

– A FRESH VOICE AND THE RIGHT MAYOR FOR DONCASTER

My name is George Jabbour; I am the Conservative candidate for Mayor of Doncaster in the election on 4th May 2017. I am writing to introduce myself and explain why I am standing in this election.

I would like to use my skills, background and experiences to serve the people of our town, create more jobs, increase investment in Doncaster, explore the opportunities that Brexit offers and champion your interest.

With my civil engineering and investment background, I am equipped with the skills and expertise needed to make the infrastructure, planning and investment decisions that the Mayor of Doncaster has to consider.

GEORGE JABBOUR

The Conservative Party Candidate

I am passionate about science and innovation. I will rely on my experience in information technology and in school governance to drive an ambitious agenda and to inspire young people.

Having set up a successful small business, I understand what start-ups and companies require to thrive and grow. As I have worked with investors from all over the world for ten years, I know what it takes to be an effective ambassador for our businesses and enterprises.

Over the past seven years, the Conservative Party has

Unfortunately for us in Doncaster, we have been left behind as we have had years of unreliable and ineffective Labour Council. However, this election provides an opportunity to break away from the past. It is only by voting Conservative that you can make a difference.

Vote CHRIS WHITWOOD

I am standing for election because I believe Doncaster deserves better. We have huge potential but for too long have been failed by politicians. The Yorkshire Party believes in giving more decisions to local people. I share that vision and if elected will strive to give the people of Doncaster a greater voice. Together, we can build a fairer, stronger and more prosperous Yorkshire.

Make Doncaster a City

Despite a population of over 100 000 people (larger than Wakefield) and a proud identity, Doncaster is often overlooked in favour of Sheffield. Applying for city status will be an opportunity to celebrate Doncaster's successes and highlight our potential.

Protect Our Historic Buildings

I've spoken to hundreds of residents who feel Doncaster's historic buildings are being allowed to crumble. I will introduce new planning guidelines and a programme of Compulsory Purchase Orders to ensure developers and DMBC protect our heritage.

New High-Quality Jobs

Too many new jobs in Doncaster are low skilled and low paid. I will work to bring new high-quality jobs to Doncaster through measures such as targeted tax relief, offering support to local business and investment in world-class facilities.

Increase Access to Social Housing

Over the past 30 years, the number of social houses in Doncaster has been cut from 60 000 to 20 000. Increasing and improving access to social housing is central to the Yorkshire Party's serious commitment to tackling homelessness in Doncaster.

Give a Voice to Our Forgotten Towns

Our towns and villages have been neglected for too long. I will hold referendums to give residents the opportunity to establish town or parish councils, devolving real powers from Doncaster Council, and allow residents to take control of their own future.

MAYOR EDDIE TODD

You, as a resident of Doncaster are my top priority. Regardless of what party you support, my job as Mayor is simple; it's to make your life better. I'll work with all people and parties to get Doncaster back on its feet.

I'm not a puppet and won't be treated like one. After growing up on a council estate in Bentley and working hard to become a commercial pilot, businessman and developer, I know that putting in the hours is the only way to get things done.

If you want to see actual positive change in Doncaster by a man who lives and breathes for this place, make sure you vote for me on the 4th May.
